SUMMARY

Enthusiastic and detail-oriented junior front-end web developer with a passion for creating engaging and user-friendly web applications. Proficient in HTML, CSS, and JavaScript, with experience in responsive design and modern frameworks. Adept at collaborating with cross-functional teams to deliver high-quality projects on time. Eager to learn and grow in a dynamic development environment.

WORK EXPERIENCE

Personal Projects

- **Portfolio Website:** Designed and developed a personal portfolio to showcase web development skills and projects.
- **To-Do List App:** Created a simple to-do list application using HTML, CSS, and JavaScript to enhance understanding of front-end development.
- **Responsive Web Design Project:** Developed a single-page website by using framework as a practice project, focusing on responsive design principles and user-friendly interfaces
